

Service Bulletin

Subject: Timer Bars for Legacy Merco PHU's

02/10/2017

Timer bars made by ICC and previously only available from the manufacturer are now available from KitchenCare. These timer bars are used on legacy Merco Product Holding Units. The part numbers for the affected timer bars are in a matrix below. All FAS's servicing legacy Merco Product Holding Units should order the timer bars from KitchenCare.

A stocking bulletin, Service Bulletin MER_SB_0006, has been reissued and now lists these parts and the quantities required for coverage-area cabinet populations.

Warranty submittals for work on these legacy units should be submitted through the Delfield online warranty system.
